Funsport Bikes is a 12,000 square foot metal building, with two single slope buildings joined at the low sides. The building includes a 12'x 24' pop-out plus a 13' projected eave extension. The interior of this facility will feature a state of the art shop, lounge area, and a bike fit room along with a 40' x 60' mezzanine. Exterior finishes include metal panels, glass, stucco, architectural steel components, and 20 prismatic skylights for natural daylighting.

Building Dimensions: 159' x 60' x 25'-7" LS
