SS-24

This 26,000 square foot project encompasses a sanctuary, courtyard, pedestrian pathways and parking lot expansion. This sanctuary building includes an expansion of the Parish Hall with added restrooms and porticos to connect it to the existing classrooms and new church building. (2) 268' longitudinal support beams were provided for the suspended ceiling system.

Building Dimensions: 139'-4" x 165'-4" x 26'-3"
