2022 Top Metal Builders Deadline: March 18, 2022
Official Entry Form

The 32nd annual listing of the Top Metal Builders will be featured in the May 2022 issue of *Metal Construction News*.

Eligibility: Only companies that act as building contractors qualify. Manufacturers and distributors do not qualify unless they held the construction contracts.

Categories: Submit your square footage and/or tonnage information. You can be listed in both categories.

Questions: Contact Paul Deffenbaugh at (847) 674-2200, ext.19, or pdeffenbaugh@modertrade.com.

To enter: Complete the online survey at www.surveymonkey.com/2022TMB or send this PDF via email to Paul Deffenbaugh or print and fax to (847) 674-3676.

There will be two rankings—one based on square footage and the other based on tonnage of steel.

Projects: Include red iron metal building systems only. For these rankings, a project is considered completed when your construction contract has been fulfilled. Rankings are based on projects for which you were the actual construction contractor.
